

THE PLAZA POST

JUN 2024

NEWSLETTER

Pride month is here and ready to kick off summer. The Summer Concert series and Movies in the Park are now back in Mosaic District. Lots of events happening and reasons to head outside, so make sure to enjoy the warm weather with food and friends!

Neighborhood Notes:

REMINDER: Parking garage **power washing** will be completed on June 10th (buildings 2663, 2665) and June 11th (buildings 2651, 2653, 2664) starting at 8am. Be sure to **remove your vehicle** the night before and **clean out any clutter** in your garage spot. The Association is not responsible for any items left behind.

There are three **storage units** available for rent in the 2653 parking garage. Please email james@burkecmg.com if interested.

Do you need to replace any **screens** before summer hits? Fellow residents have had success with **FlexScreen** - <https://flexscreen.com>.

We are looking for residents to **join the board!** It's a minimal commitment with a monthly HOA meeting. Please email james@burkecmg.com if interested.

Although we live in a very safe neighborhood, there are still the occasional petty crimes that occur. Please make sure to **lock your vehicles** and if you experience any theft, report it to police ASAP.

There are no major updates on the neighborhood pool yet, but we are working diligently to get it up and running as fast as we can.

Upcoming..... Summer on the Green concert series is back on the Vienna Town Green, Fridays at 6:30pm

If you have an announcement you'd like to feature in next month's newsletter or any questions about the publication, please contact westbriarplazanews@gmail.com.
